*Kurt @ Studio One Photography recently did a photo shoot for me and I cannot express how impressed and over-the-top happy I was with EVERYTHING about my experience!!! I have found my new go-to photographer!!! Now! I've used lots of photographers in the past, but no one and no place has ever compared to the experience I had at Studio One. Kurt gave me such an ~~AMAZING~~ AMOUNT amount of time, effort, concern and attention to detail, and just personal support, for my shoot, I couldn't believe it. I cannot wait to bring my family back for family shots this summer!!! I just cannot say enough amazing things about Kurt and Studio One! I drove an hour to get to his studio, and it was worth EVERY mile. Kurt's passion for what he does, his genuine kindness, and his finished work absolutely blew me away!!! I was so overwhelmed with the amount of beautiful photos to choose from, it was a bit overwhelming. But also the biggest rush of happiness. Thank you, Studio One. You are MUCH appreciated!!!*

## A B O U T U S

Photographing high school seniors is our specialty. We have been focused on seniors for over 25 years, and it is our full-time job to know how to bring out the best in your teen.

# THE DESIGNER

Our most popular session is the Senior Designer Studio. Our seniors are photographed in our studio with 2 camera rooms, one a more formal background orientated and one a casual "real" camera room that everything is a real prop.

We'll start in the formal camera room for some modern and your yearbook style images. Then we will go over to the casual camera room for more modern style images. Lots of backgrounds and places to shoot with real hardwood floors, french doors, and a locker room set for your athletic images that you will want if you are involved in sports.

## SENIOR GRADUATION ANNOUNCEMENTS

You'll want to share the good news of your graduating senior with friends and family, so let us take care of this part for you! We'll choose your favorite images at your ordering session and design a card that you love!

## ALBUMS

Our heirloom quality albums are a must for every senior. These beautiful albums will be passed down through generations. When she's away at college and you're missing her, you will carefully look through every photo that captured her personality so well and you'll smile. When her daughter is asking her about her high school years, they'll look through the album together and share stories. When her great-granddaughter wants to know who she resembles most, she'll be able to flip through the pages of this legacy piece to see what your senior looked like as a teenager.

## WALL ART

From canvas to metal to our signature Rembrandt, we'll help you choose the medium that will best display your favorite images for all of your guests to see. We can help you assemble a collection for your wall that will be a beautiful centerpiece for your room. We can even show you what your wall art will look like on your own wall as we assist you with your order.

## WHAT TO WEAR

Most clients bring a variety of dressy and casual outfits. Bring more than enough, and we'll look through them together to choose the best options for each location. Don't forget your accessories like hats, sunglasses, and jewelry! If you have a favorite t-shirt or hat for your future college, bring it too!

It's best to avoid distracting patterns. Layering is fantastic to easily change up your look, and we love textures! As you're choosing your outfits, keep in mind the locations we've decided on and the season. Make sure you're comfortable in whatever you choose. If you feel awkward, it will show in the photos! Bring shoes and appropriate undergarments for each outfit too!

## 2 THE SESSION

On the day of the session, we'll start off in the studio or at your location by helping you choose outfits. We want you to look your best! Kurt has a unique eye for backgrounds and will light you to get the best out of the location.

## 3 THE PREMIERE

Approximately 7-10 days after your session, you'll come to the studio to view and order your photos. To be best prepared for this appointment, decide which walls you'd love to fill with your custom artwork, and make a list of friends and family that would want gift prints of your senior. All decision makers should be present at the premiere, as only one is included in your session. The premiere typically lasts about 90 minutes if you're well-prepared but can take longer, so please allow plenty of time!

## 4 THE DELIVERY

Your artwork and albums will arrive within 4-6 weeks after placing your order. We'll give you a call when they're in and set up a time for you to come by the studio to pick them up! We can't wait for you to see your gorgeous new products!
